A collection of three items is displayed on a white surface against a purple background. From left to right: a gold-toned watch with a white face and Roman numerals; a silver Pentax camera with a lens attached; and a clear glass perfume bottle with a white flower-shaped cap and a black ribbon, labeled 'Dolce' by Dolce & Gabbana. A large white play button icon is on the right side of the items. In the top right corner, there is a circular logo for 'Shy Wolf Sanctuary Education & Experience Center'.

Volunteer

That first morning as a volunteer, I pulled into the Shy Wolf Sanctuary somewhat giddy. I practically leaped over the stone pavers to get to the entrance, like a small child jumps puddles. Everything felt animated. Even that ordinary entry gate stood tall before me, like a knight protecting his kingdom. There was this handmade sign that read "Enter with a happy heart". I felt honored to have access. With a happy heart, I went inside...

Education

Theresa Schultz
Education Coordinator
and Wolfdog Treasure

The Education department is in full swing heading into the summer, with several presentations scheduled with children's camps and adult clubs. We have been able to introduce, what is considered to be, one of the rarest wild dogs in the world. Sege, a New Guinea Singing Dog, has been a big hit with his sweet demeanor and love of people. We have a couple of wolfdog ambassadors that love to go out and teach people the differences between a wolf and a wolf dog. We have several presentations we can bring to your meeting, and we are very flexible with the time schedule. For more information, or any questions or comments, please feel free to contact me directly.

Board of Directors Update

As you all know, the Board has recently signed a contract on 30 acres in North Fort Myers in order to build a state-of-the-art sanctuary and education center. We had originally purchased 20 acres in Naples in 2010, but were unable to get the required permits. This Naples property has been for sale for the past 2 years. Well, we are very pleased that the 20 acres has just gone into contract. Keep all your fingers crossed that we go all the way to closing without a hitch and that we get the necessary permits quickly. Once we have our investment back, it can be applied to beginning construction on our dream.

A Fundraising Committee is currently being organized and welcoming new members. If you would like to join this committee or send a supportive letter, please contact Deanna Deppen: admin@shywolfsanctuary.org.

We invite you to become a **New Sanctuary Friend**. Get updates on our progress, notifications of public community meetings you can attend, and opportunities to show your support for Shy Wolf Sanctuary.
