Sanctuary News

From the Heart ~ For the Animals.

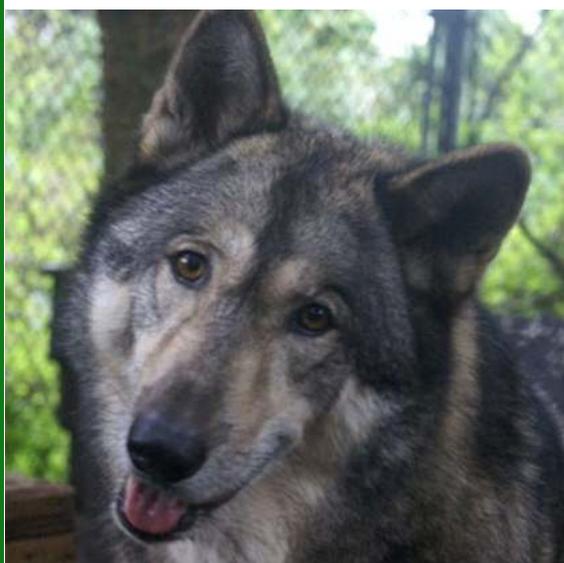

It's Hurricane season and we're ready!

Meet Raven

Raven was an owner surrender to the shelter when a breeder was given an ultimatum: surrender the dog who was escaping or face the possibility of losing all of her animals. She chose to surrender Raven to the shelter. He was intact, very thin to the point of emaciation almost at 85lbs., but fortunately heartworm negative. There weren't many options for Raven and time was running out, so SWS agreed to bring him in

In Memory of Koda

It is with heavy hearts that we share the sudden and unexpected passing of Koda. He came to us after being chained for the first five years of his life. It took about as many more for him to learn that he could really trust us and to stop trembling at the mere sight of a child. Eventually he grew into a much beloved "Koda-bear" for our volunteers and educated a lot of guests about the negative impact chains have on dogs.

New Education/Events Coordinator

Theresa Miller-Schultz heads up our education outreach

and events program at Shy Wolf Sanctuary. Theresa and her ambassador teams visit schools, residences, and civic organizations to help others understand how to be responsible pet owners and stewards of the environment.

"I have been a volunteer now for a few years and look forward to expanding our education program and participating in local events."

Girl Scouts raise \$500 for wolves

Girl Scout Troop 603 donated \$500 of the money made from their cookie sales. That money will feed about 13 wolves for one month. We are grateful to Troop 603 for selecting Shy Wolf Sanctuary to support, and the wolves gave them plenty of thank you kisses. Great job girls!

Psychology student from Germany volunteers during summer vacation in U.S.

An internet search for wolves led Lea to Shy Wolf Sanctuary, Education and Experience Center. Eager to learn about the relationship between humans and wolves, she discovered why wolves are the most misunderstood animals.

Want to help ?

We have plenty of different ways to show you care including animal care, events, event hosting, fundraising, building and enclosure maintenance, phone calls and educational outreach. Serve on a committee. We give school credit!
