Sponsorships and Underwriting Opportunities available for

2nd Annual WolfStock

November 14, 2020 - 6:00 pm – 8:00 pm

Shy Wolf Sanctuary – Naples

In 2019, we were so excited to launch WolfStock as a signature event to raise awareness and support for the dozens of captive-bred exotic animals that call Shy Wolf Sanctuary home. With the support of our valued friends and business partners, **we raised over \$28,000** to provide nutritious food, ongoing medical care, and an enriching habitat for our resident animals.

Our mission is to heal hearts and minds through rescue, sanctuary, and education. To date, Shy Wolf Sanctuary has **rescued over 1,260 animals** and provided **valuable educational experiences to tens of thousands of human visitors from around the world.**

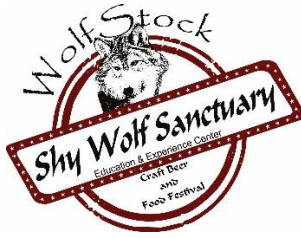

Shy Wolf Sanctuary's current facility has reached capacity, so we are making big plans to expand in Southwest Florida. Our vision is to become an internationally-recognized sanctuary that is revolutionizing captive animal care and education, while providing a place of hope and healing for all that enter our gates. Through animal encounters and immersive educational programs, we will inspire visitors to take ongoing action to protect wildlife and our sensitive environment while spreading kindness and compassion to our greater community.

Your investment in WolfStock will help us achieve three strategic goals:

- **Education** – Increase access to on-campus and off-campus education programs with science-based field trips, college internship opportunities, and community outreach.
- **Environmental Sustainability** – We provide environmentally sustainable habitats that exceed government safety guidelines for the protection of our resident animals, staff, volunteers, and visitors.
- **Therapeutic Sanctuary** – All who enter our gates, two- or four-legged, will find a safe haven to heal from the physical and emotional wounds of life through improved access to therapeutic animal encounters with our Healing Hearts program.

With current CDC safety guidelines, WolfStock has been re-imagined this year as a hybrid online concert with interactive auction. We also have an exclusive opportunity for a **LIMITED** number of sponsors to attend in-person, with live music, craft brews, gourmet food trucks, and a private visit with our animals. We hope you embrace the opportunity to join in our celebration to support our resident animals in the most enjoyable way for you and your family!

We appreciate your ongoing support and look forward to howling with you at WolfStock!
