

## Healing Partners

Shy Wolf Sanctuary Education and Experience Center partners with other nonprofit organizations within the community. We share our resident animals' life stories of neglect, abandonment, abuse, and PTSD. Participants connect with our animals to discover unconditional love, hope, and acceptance through their recovery, including:

- Addiction & Recovery
- Developmental Disabilities
- Domestic Violence
- Foster Children & Child Welfare
- Grief & Loss
- Human Trafficked Individuals
- Veterans Groups & Programs

## Shy Wolf Sanctuary Education & Experience Center

## Our Mission

**To heal hearts and minds  
through rescue,  
sanctuary, and education.**

## HEALING HEARTS PROGRAM

Shy Wolf believes that animals have many things to teach us about ourselves. Through partnerships with area organizations our Healing Hearts Program provides an opportunity for participants who have experienced traumatic life events to form healing connections with our animals who may have had similar experiences. Our animals teach us about kindness, forgiveness, gratitude, courage and unconditional love.

**"Our experiences don't define who we are."**

***Nancy Smith, Founder***

### Healing Hearts Participants:

- Enjoy discovering the natural and peaceful beauty of the sanctuary.
- Experience an animal encounter with some of our animals.
- Learn about how the animals were rescued and their life stories.
- Take part in creative expression through an art or construction project.
- Receive a snack and a special gift.

## OTHER OPTIONS

Our trained professional educators can visit your site to craft a Healing Hearts Program designed to fit your needs. This may include learning about Shy Wolf Sanctuary, meeting an animal ambassador, participating in an arts and craft project, or journaling to aid in the healing process.

<https://shywolsanctuary.org/education/healing-hearts/>

Participants are given the opportunity for healing through the creative experience.

## FEES

Donations are gratefully accepted.  
Contact us to discuss.
